[REDACTED] – not sure who you are coordinating with in ORD for this meeting, but I am in town and available if appropriate – I am serving as ORD's exec lead for PFAS R&D, and work in RTP with Tim Buckley and others so am familiar with the Chemours issue.

Please add me to the invite if appropriate. I am at [Ex. 6 Personal Privacy (PP)] if you would like to chat.

Subject: Revised Draft Agenda for Chemours Meeting of Feb 8 -Plus- Attendees List

To the Chemours Multi-Region, Multi-state participants,

I'm attaching 2 items. One is a revised version of the Proposed Agenda that incorporates comments many of you have provided over the past couple of days. EPA does not plan to give a presentation at this meeting and the agenda is now written to reflect that. This meeting is an opportunity for Chemours to provide information to EPA and the states. The

other item is a list of attendees for EPA and the states. It also includes many of the people who will be attending by videoconference. (We need to add julie.woosley@ncdenr.gov to the list, but I wanted to get this out now.) I've included everyone on that list in this email distribution. If you have comments on the agenda and additional attendees please let me know and copy [REDACTED]

PLEASE provide comments to James, Diana and me on the **Agenda by 5pm Thursday (tomorrow)**. We would like to have a complete list of attendees for the meeting so please get those to us as soon as possible.

Thanks,
